Dear Parents/carers,

It is important for us to have a school community where parents feel involved in order to improve school life for everyone, and ultimately to help your child succeed and attain to the best of their ability. Please tell us what you think about your involvement with school life by completing the following questionnaire.

Statement	Strongly Agree	Agree	Disagree	Strongly Disagree
<b>The school's ethos and environment:</b>				
The School is welcoming and friendly				
I see senior leaders around the school and feel I can approach them				
When I phone the school, my call is answered quickly and staff are polite and professional				
I know who to contact at the school if there is a problem				
When I visit the school, there are clear signs that guide me to the main entrance				
I feel that there is a relationship of mutual respect between my family and the staff at the school				
Do you have any further comments about the above?				
<b>Your involvement in all aspects of school life</b>				
I am confident that my child will move smoothly between all key stages and year groups				
There are informal and fun activities in place for me to engage in school life e.g. summer fayres				

Statement	Strongly Agree	Agree	Disagree	Strongly Disagree
I am encouraged to get involved in the decision making within the school e.g. by becoming a school governor				
There are opportunities to be involved in sharing my child/ren's successes at school at least once a term				
I feel confident to question staff on any aspect of school life				
I feel that I have the opportunity to become involved in my child's education and lifelong learning				
Do you have any further comments about the above?				
Does the school understand its parent community and tailor its engagement and communications for parents.				
When I get information about the school it is clear and easy to read				
The school website is clear and up to date				
If I make a comment to a member of staff, it is dealt with quickly and efficiently				
The school provides an opportunity for me to receive information in a variety of ways (e.g text message, letter, face to face) and any special requests are followed.				
Parents evenings are easy to attend and the staff who teach my children are available for me to meet with				
I receive regular information from the school about my children's attendance, behaviour and attainment				
I feel confident that any feedback I give to the school is listened to and I am told what action has been taken				
My child enjoys school				
The school keeps my child safe				
Do you have any further comments about the above?				

Thank you for your continued support.
